# Letter from the Owner

Hello! I'm Justine Burdette – the second generation owner of Blue Star Sports Apparel.

Whether you are a long time customer or just flipping through – welcome!

Before my dad started Blue Star he was an athlete and coach - and knew the many demands of BOTH roles. So when he started Blue Star over 40 years ago, he had 2 goals: provide exceptional, hassle-free customer service to every school no matter their budget AND provide quality, affordable sports apparel.

I was blessed with parents who encouraged me to pursue my own dreams. I tried a variety of extracurriculars before I fell in love with running (no surprise!) and while I grew up in the business with a variety of jobs over the years, I was never pressured to own it. I spent the first 20 years of my career in an assortment of industries but I could not outrun the pull of being an entrepreneur. So in 2023, I picked up the phone and uttered the words my parents thought they would never hear, "I want to run Blue Star."

As a second generation owner, it's my pleasure to extend the same unmatched customer service that Blue Star has always offered as well as the latest quality, affordable sports apparel and spirit wear that today's customer expects.

I look forward to connecting with you!

Kind regards,

A handwritten signature in black ink that reads "Justine M. Burdette". The signature is written in a cursive, flowing style.

Justine Burdette

# Frequently Asked Questions

## I know what I want/need. What's the best way to start an order?

Get your personalized quote for premium sports apparel, spirit wear, and equipment by filling our form.

## Why are there no prices in this catalog?

Due to the nature of the economy and global supply chains, pricing fluctuates continuously ... many times in the customer's favor! Blue Star would much rather communicate with our customers directly about their needs/budget and find a solution quickly that meets those parameters. Email, call, or fill out our online form to get your price quote.

## I have questions.

A real human (seriously!) answers every email and call. If it's not Justine personally, it's one of our dedicated team members.  
info@bluestarsportsapparel.com  
1-800-694-8415

## Can you really customize anything?

Yes! Almost anything can be customized. Blue Star offers screen printing or embroidery on most items. We also can fully customize many uniforms and warm-ups through a process called sublimation - you can view these fully customizable items on pages 4-9. What you see on those pages are a small fraction of limitless colors and graphics we can create!

## I don't work with athletes and/or I don't work with a school. Can I still order from Blue Star?

Blue Star Sports Apparel provides sports apparel and spirit wear for K-12 schools, athletes, and organizations of all kinds. Our previous customers have included corporations, small businesses, churches, travel leagues, adult recreation teams, and many more! As long as you can meet our minimum order of 12 items, we would love to work with you.

## Where are Blue Star's products manufactured?

True, in the past Blue Star made most of its products under its own roof. Also true, for a variety of reasons Blue Star today has chosen to have most of its products manufactured by other vendors. We prioritize those that are American owned and/or operate on American soil, but we do have a global supply chain.

## Where is Blue Star located? Can I pick up my order?

Blue Star is proudly run from Grand Rapids, Michigan. And sadly, no, you may not pick up your order. Orders must be shipped to a valid address. We would love to meet you in person at a clinic or conference though!

At Blue Star Sports Apparel, we believe that every athlete, every school, and every customer deserves to feel like they belong. Our personalized approach ensures that you get the high-quality materials and innovative designs that create a feeling of unity. We're confident in the quality we deliver, and our quick turnarounds ensure you're always game-ready.

Scan here for additional FAQ's about ordering, graphic specifications, and our full terms of service.

# Sublimated Singlets

All Blue Star sublimated singlets on pages 4 through 8 are fully customizable – choose your colors, remove or add design elements, and school/mascot names and graphics are all doable changes! Don't see a style that catches your eye? If you can dream, we can custom design it!

All Blue Star sublimated singlets come in a 4oz. polyester fabric with moisture wicking technology. The single layer fabric evaporates moisture away from the skin keeping athletes cool and dry. All size information is sublimated into the hem of the garment - no itchy paper tags!

Read our blog about easy care to keep your garments fresh and vibrant for the long haul!

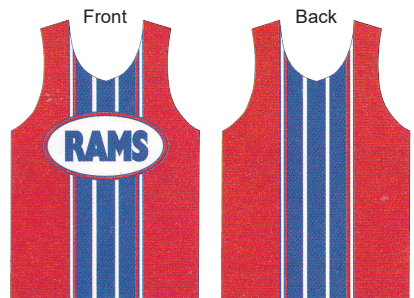

Singlets come in adult male or female cuts with standard backs. A racer back that is narrower and higher cut is also available for both male and female styles. Sizes run from XS to 3XL in all cuts. Singlets also are available in youth sizing, XS through XL. Youth sizing is only available in the Racer back style. Fully customizable, matching shorts are available!

## Accelerator

Vertical stripes centered on both the front and back of the design, with an oval on the front for your school or mascot name.

Looks best as a 3 color design.

## Altitude

A simplification of the Hollywood front and a Tailwind on the back.

## Bubbles

Bubble design. Looks best as a 3 color.

Back can be solid OR all bubbles OR with the tailwind strip OR any design you can dream up.

## Burst

Burst design with center chest oval.

Design repeats on the back minus the oval.

## Carpenter

4 sash like stripes across with chest with a horizontal bar

## Checkerboard

The name says it all – this unique design means you will be able to find your athletes anywhere on the field.

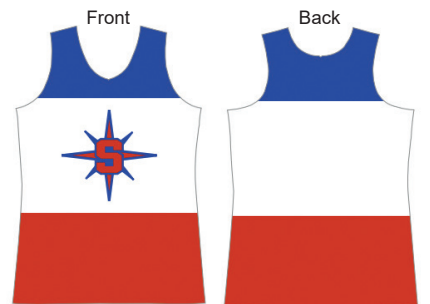

## Digital Camo

Camo design on front and back. OR update the back to have a tailwind stripe OR be a solid color.

## Dutchman

Three wide horizontal stripes showcase school names, mascots, or logos beautifully.

## Fade

Fade from one color to another. Looks great with neons (green, orange, pink, etc.)

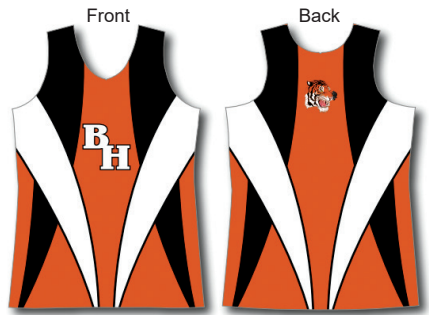

## Flare

One of Blue Star's most popular designs! Flares at multiple angles make plain fonts or logos stand out.

## Hollywood

Similar to the Flare but slightly simpler, still striking design.

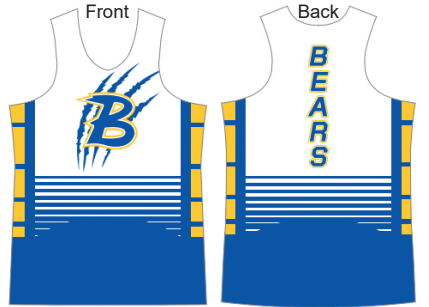

## Magni

Named after one of Blue Star's first customers, Tony Magni, boys coach from Detroit Catholic Central. Horizontal stripes are a classic just like Coach Magni.

## Marauder

Incorporating both horizontal and vertical lines, this design is as unique as its name. Works best with three color designs.

## Miler

The Miler incorporates both side stripes and a back tailwind design, this singlet is bold and fresh.

## Olympian

Two bold vertical bars show off school names/mascots/logos on both the front and back. Has a classic feel.

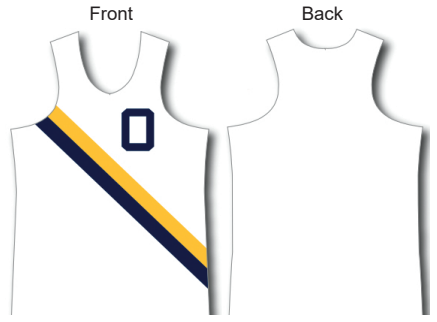

## Recon

A nod to the tough terrain that cross country courses traverse, this design is pulled from topographical maps.

## Retro

Double bar sash with lots of room for school name/mascot/logos.

## Rival

Solid front and back with side panel design.

## Sailor

Contrasting front and back patterns make this a great choice for those who want something different.

## Slider

The Slider incorporates ombre with organic swipes.

## Sunburst

The Sunburst is the second of Blue Star's two original sublimated designs. The sunburst pattern is offset and radiates from a left chest oval.

## Throwback

Similar to the Summerfield, the Throwback has contrast, narrow stripes around the neck and arms as well as a bar across the chest.

## Tigerstripe

All over tiger stripes gives this singlet its signature look and name.

## Tigerstripe Speed Suit

Takes out Tigerstripe design to a whole new level. Any of our designs can be converted into a Speedsuit.

## Titan Crew

A two color v-neck with short sleeves.

## Turbo

A sleek panel design that elongates the frame.

## USA

All over stars pattern with subtle shading beneath and contrast neck stripes.

## Men's Track Speed Suit

8oz Spandex 88% Micro polyester 12% Spandex

# Sublimated Shorts

Our Sublimated Shorts match our Blue Star sublimated singlets (pages 4-8). Same 4oz. polyester fabric with moisture wicking technology. Sublimated shorts have no liner. No youth sizing available. It is recommended to buy the correct gender, just in smaller sizes.

Women's Track Shorts come in the following inseams:

- 3" Inseam w/V-Notch Sides
- 4" Inseam (graded) w/V-Notch Sides
- 4" Inseam w/Tulip Sides (also called dolphin hem)

Men's Track Shorts come in the following inseams:

- 4 ½" Inseam w/V-Notch Sides
- 3" Inseam w/Tulip Sides (also called dolphin hem)
- 5" Inseam w/Tulip Sides (also called dolphin hem)

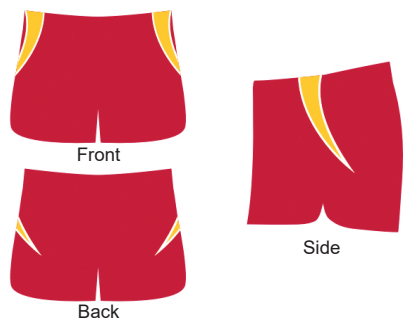

Read our blog about easy care to keep your garments fresh and vibrant for the long haul!

## Women's V-Notch Sides

## Tulip Sides (also called dolphin hem)

## Men's V-Notch Sides

# Compression Tops and Bottoms

Spandex knit has long been a popular option for sports teams and as a base layer. Blue Star offers a variety of options - both a stock option that is ready to be decorated with your logo or mascot or in fully sublimated versions that are created from whatever you can dream up!
